

New Supplier Set Up

1.) New Supplier Form:

A new supplier form can be requested from Accounts Payable. Please note that each Business Unit has its own form.

SharkNinja Europe Ltd:	ukaccounts payable@sharkninja.com
SharkNinja UK EP:	uklonaccounts payable@sharkninja.com
SharkNinja Germany GmbH:	deaccounts payable@sharkninja.com
SharkNinja France SAS :	fraccounts payable@sharkninja.com

2.) Completion by Supplier

Send the relevant form to the supplier and ask them to complete and sign.

Important Note:

Forms that are not signed will be rejected.

3.) Payment Terms

Our standard payment terms are 60 days from the date of the invoice.

Important Note:

Non standard terms must be signed off by a Finance Director or Financial Controller prior to Onboarding.

4.) Create a Ticket

Please create a Jira ticket on the HUB.

- Click on the "Service Desk" icon.
- Click on the "Vendor Requests" icon.
- Click the "Vendor Onboarding" link.
- Complete the form.
- Upload the completed and signed Supplier Form, the NDA (if required), and any other relevant documentation.
- This ticket will be directed to the Vendor Onboarding Team for approval.
- Once approved you will receive an email from the Vendor Onboarding Team.
- This email will include the approvals from Compliance, Security and Privacy.

5.) Request a New Account

Email the relevant Accounts Payable Team (email addresses above) requesting a new account to be opened.

The email must contain the following information:

- The completed and signed Supplier Form.
- A copy of the approvals from the Vendor Onboarding Team.
- Approval of payment terms if non standard. The approval email must be included.

6.) New Account Confirmation

- The relevant Accounts Payable Team will request a new supplier account from the Master Data Team.
- Once the account is active the Accounts Payable Team will inform you via email and provide a copy of the "How To Get Paid Guide".

7.) How To Get Paid Guide

Please send the "How To Get Paid Guide" to the supplier to ensure they follow our processes and prevent delays in payment.
