

Responsibility of a PO Owner – Shark Ninja Europe Ltd

A PO raiser is responsible for the life cycle of the purchase order, from raising a requisition to payment of an invoice or closure of the PO.

Please see below your key responsibilities:

Raising a Purchase Order:

- All purchase orders must be **raised in advance to spend being committed to and fully approved.**
- Where a final figure is unavailable, please use your best estimate.
- The “Need by Date” must be the date the service commences or the date the goods are expected.
- It is your responsibility to ensure all approvals in the chain are obtained, and to send reminder messages where required.
- The approval chain can be found at the bottom of a submitted requisition under the header “Approvers”.
- If the approver is a group such as “SNE Finance Liaison” you will find a list of approval group members by hovering over the icon.
- If you believe the approval chain to be incorrect, please email financecoupqueries@sharkninja.com before submitting for approval.

Updating the Supplier:

- It is your responsibility to pass the purchase order number on to the supplier and advise that this must be displayed on the invoice as we have a “No PO, No Pay” policy.
- The supplier must also submit a valid invoice to the correct Accounts Payable email address. These can be found on the “Useful Finance Contacts” list.
- Attaching an invoice to a PO does not submit the invoice to Accounts Payable and must be emailed separately.

Receipting the PO for Payment:

- Once you are confident that the goods/services have been delivered, please receipt your PO.
- If the value or quantity received is lower than the original PO, only receipt what has actually been received.
- If the PO is not receipted Accounts Payable cannot pay the invoice.

Increasing PO Values:

If the value of the goods/service is higher than the original approved PO, please increase the PO value and submit the invoice once the increase has been approved. Do not raise a separate PO.

Assigning Delegates:

If you are out of the office and unable to monitor your PO's, please assign a delegate to approve and receipt to prevent late payment.

Closing Obsolete PO's:
- Finance will contact you regarding open PO's to enquire if they are still required. Please respond within 3 working days to advise if the PO can be closed or is still needed. This information is used for budget reporting. - If a PO is no longer required or a PO remaining balance is no longer required, please contact financecoupaqueries@sharkninja.com and request the PO be closed.

*****Please ensure the Supplier is onboarded under the correct SharkNinja entity prior to raising a PO*****
